tent characteristics and usage

- A product with tradition
- Selection of quality input materials that provide a favourable climate in the room
- 5-year warranty
- Slovenian product
- 100% sustainable product
- Quick to set up

Traditional scout canvas tent **DISCOVERY** with a modern design has been developed at the request and in accordance with the needs and proposals of scouts of Slovenia and Croatia.

The tent is quick to set up. It is also **suited for competitions and training of young scouts**. The entrance is closed by a lacing system with ribbons and rings. There is also a window on the backside of the tent that brings light into the interior. The canvas is made of TenCate cotton fabric with excellent properties of ventilation and humidity regulation. It ensures a pleasant climate in the tent and is resistant to all weather conditions.

TENT MAINTENANCE AND CLEANING

Brush the canvas parts and, if necessary, wash them with a jet of water. **Use only a softer brush**. Spread out the tent and let it dry. Wash the frame and let it dry. Canvas parts, frame parts, and accessories should be packed and stored exclusively completely dry.

Machine washing, dry-cleaning, bleaching, tumble drying or ironing of canvases is not allowed. Tears and other damage to the outer canvas should be repaired by the manufacturer.
